Re: Request for Notification from Industry Organizations Interested in Participating in Selection Process for Nonvoting Industry Representatives on Food Safety Public Advisory Committee. 72 Fed. Reg. 32123-32124 (June 11, 2007)

Dear Ms. Jeletic:

On June 11, 2007, a *Federal Register (FR)* notice published by FDA requested that industry organizations submit written notification expressing their desire to participate in the selection process for the nonvoting industry representatives on the Food Safety Public Advisory Committee (72 *Fed. Reg.* 32123-32124). Please accept this letter as an official request from the Consumer Healthcare Products Association (CHPA) to assist in the selection process. CHPA, founded in 1881, is a national trade association representing manufacturers and distributors of dietary supplements and over-the-counter drug products.

CHPA looks forward to collaborating with FDA and other interested parties on this matter. Please feel free to contact me if you have any questions or need additional information. We look forward to hearing from you in the future.

Sincerely,

Marcia D. Howard, Ph.D.
