CHPA represents the leading manufacturers and marketers of over-the-counter (OTC) medicines, consumer medical devices (CMD) and dietary supplements (DS). We empower self-care by preserving and expanding choice and availability of consumer healthcare products.

The Value of CHPA
Making the most of your membership

**Engage your employees** in the work that is shaping the consumer healthcare industry. Let us know which committees, working groups and ingredient task groups your company should join (membership@chpa.org).

**Engage in year-round learning** and professional development at networking and educational events for members including our Annual Executive Conference, Regulatory, Scientific & Quality Conference, and CHPA Academy programs. See what’s planned at www.chpa.org/events.aspx and www.chpa.org/OTCAcademy.

**Gain knowledge** of industry trends and retailer insights from CHPA communities of thought leaders.

**Stay on top of regulatory and legislative issues** that evolve at FDA, on Capitol Hill, in the states and local municipalities, and in the media. Our publications and communications will make you better aware of the critical issues facing your business.

**Access staff experts**—including industry thought-leaders in science and research, trade and legal counsel, government and regulatory affairs, and others who have the expertise to provide you with analyses and advice to grow your business.

**Grow your business** through senior-level and peer networking across mission-critical business units throughout the year.

**INVESTMENT**
Membership dues are calculated based on US sales of OTC, DS, and CMD products for the 12-month time period of July 1 through June 30.
