

Sponsorship Opportunities for the 2025 Regulatory, Scientific & Quality Conference

Maximize visibility for your company by sponsoring CHPA’s 2025 Regulatory, Scientific & Quality Conference (RSQ), Tuesday-Wednesday, **September 9-10, 2025**, at the Marriott Bethesda North.

RSQ brings together hundreds of leaders from industry, regulatory authorities, and academia to learn about the latest developments in the consumer healthcare landscape. The 2025 conference will focus on a wide range of regulatory, scientific and quality topics covering over-the-counter (OTC) medicines, dietary supplements and OTC medical devices. At least a dozen educational sessions will provide insights into the key regulatory, scientific, and quality issues impacting our industry, including how collaboration between industry and FDA continues to foster mutually beneficial relationships to achieve better consumer healthcare outcomes.

General Sponsorship Levels

Corporate sponsorship helps to defray some of the meeting costs associated with bringing high quality speakers to the conference, while maintaining reasonable registration rates. Your financial commitment ensures that the RSQ planning team can deliver on its promise for another exciting, educational program.
